Our officers regularly take a proactive approach towards crime prevention. To that end, we are willing to provide additional patrols around your home while you are away.

At least one week before the start date of your vacation, you will need to complete a Vacation Check form and return it to the address on the form. Please complete all the questions on the form. You can call Lt. Shawn Engleman at (262) 781-2431 or sengleman@butlerwi.gov with questions about the form or the program.

It is important to note that a house check pursuant to this program does not guarantee the safety or security of the property. Nor does it mean the Butler Police Department is in any way responsible for the property in your absence. It just authorizes our officers to visually and/or physically inspect your premises during their patrols.

Requesting vacation home checks is just one way to increase security while you are away. The information in this brochure will help you prepare for your absence. Some of the things should be done in advance and others can be done the day before or on the day of your departure.

Have a great vacation!

**Keep your home safe & secure while you’re away**

**In the months before your departure:**
- Repair broken doors and window.
- Install good quality locking devices on all exterior doors and windows.
- Complete and turn in the Vacation Check form.

**Arrange for a trusted person to:**
- Pick up your mail.
- Mow and water your lawn. Shovel snow.
- Pick up newspapers and circulars from your driveway, entry area, and yard.
- Feed your pets.
- Turn lights on and off if they are not on a timer or motion sensor.
- If you have a burglar alarm, your contact person should know how to set and disable the alarm as needed. A loud false alarm during your absence will NOT be well-received by your neighbors!

**A day or two prior to departure:**
- Mow the lawn and trim the shrubbery.
- Store all ladders, tools, lawn equipment etc. in a locked storage shed or garage.
- Take valuables to your safe deposit box.

**On the day you leave home:**
- Make sure water supply is turned off.
- Make sure gas appliances are turned off.
- Unplug small appliances such as fans, toasters, and electric coffee pots.
- Set your electric timers to turn on some lights during the evening hours.
- If you leave a car in your driveway, park it up against the garage door. Make sure vehicle is locked and nothing is left visible inside.
- Bolt the garage door on the inside. Unplug electric garage door opener. Lock garage door and door leading into the house.
- Make sure all windows are locked.
- Turn down heat in the winter.
- Leave a key and the phone number of where you can be reached with emergency contact person. The contact person should hold on to the key in your absence. The key should not be left in or near your own home where a burglar might find it, even in a hidden location.
- Just before you leave, walk around the house and make sure everything is secure. Remove any large items that could be used for access into a second story window.
- Enjoy your trip!
